avocado rechtsanwälte is one of the top business law firms in Germany

avocado rechtsanwälte continues to be one of the top business law firms in Germany. This is the result of a recent survey conducted by the data company Statista for the news magazine Focus. avocado rechtsanwälte has been awarded „Top-Wirtschaftskanzlei 2019“ for its expertise in real estate law as well as environmental law, water and sewage law.

The Focus Top list of commercial law firms is based on the recommendations of experts (attorneys from commercial law firms and in-house lawyers) in a total of 21 specialist areas.

We are delighted about this award, which we regard as further proof that the high quality of the legal advice provided by avocado rechtsanwälte is perceived and appreciated by the market. Our special thanks and congratulations go to our colleagues from the fields of real estate law and environmental law.
