Press Release

June 2022

Our methodology for determining these awards remains the same as it did when Best Lawyers was founded four decades ago: peer-review. Lawyers are the best resource to provide feedback on the caliber of work performed by their peers.

We are delighted about the awards, which we regard as further proof that the high quality of the services provided by avocado rechtsanwälte is perceived and appreciated by the market. Our special thanks and congratulations go to the four awarded partners.
